The Nambour Lapidary Club would like to Welcome you and invite you to participate in this years' Gemfest. For those of you who have been involved in the Gemfest before, we thank you for your past participation. If you are applying for the first time, we hope you have a wonderful day.

Your support is particularly important, not only for the club, so we can keep it running each year, but also for the Industry in general. It is important that we continue to showcase Australian made items of Jewellery, stones and minerals, as often as possible through Gem shows.

These shows are important to show the public the value of the Lapidary and Jewellery makers in the Community.
